ABOUT ME

I'm a dedicated Web & WordPress Developer who loves turning ideas into clean, responsive, and high-performing websites. I focus on modern design, fast loading speed, and flawless user experience — creating digital solutions that help brands grow online.

EXPERIENCE

WordPress Developer
Taqneeq Marketing Agency
(Currently Working)

Responsibilities & Achievements:

- Designed and developed WordPress websites using Elementor & Elementor Pro
- Created custom pages (Home, Services, Blog, Contact, Location Pages)
- Installed, configured, and customized WordPress themes & plugins
- Worked on SEO-friendly structure (meta titles, descriptions, headings)
- Improved website UI/UX and responsiveness for mobile & desktop
- Fixed common WordPress issues (layout, plugins, speed, errors)
- Assisted in website optimization and performance improvements
- Managed content updates and basic security settings
